To access the **French or Spanish versions**, users will need to set French or Spanish as their language preference on their personal profile page.

- French Course Code(s): **201134070** (Safety) & **208720399** (Environment)
- Spanish Course Code: **204475915** (Safety only)

For Existing Users:

You can make any changes of address, email, or password by clicking on “Profile”.

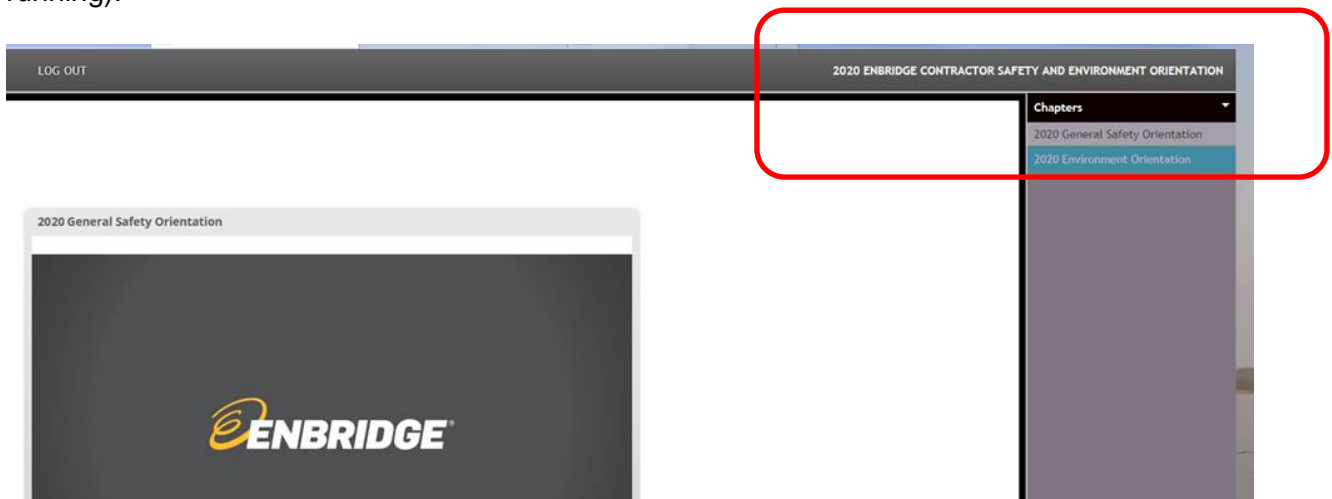

Existing users should use their unique login information and proceed to Online Training Center where they will find their course.

Click **Start** to launch the course.

Note that for 2020, the English General Safety Orientation and the Environment Orientation have been bundled into a single course with two chapters. Both must be completed to receive a certificate of completion (and one will automatically play after the other once the course is running):

2020 Contractor Safety and Environment Orientation Access Instructions

Once you have completed your training please closeout or 'x' out of the training session.

A certificate of completion will be available to you on your dashboard and may be printed and provided to your Safety contact as evidence of completion. Certain facilities and operations will provide you with a 2020 Annual Contractor hardhat sticker in exchange for this certificate of completion.

Completed							Forward Certificates	🔒	⬆
Title	Mark	Status	Completed	Expiry	Print Materials	Certificate			
2020 Enbridge Contractor Safety and Environment Orientation	100%	Complete	25/11/2019	-					

Print to receive
hard hat sticker (in
some areas only)
